Measles

I spent considerable time yesterday checking with health professionals about the 'stories' concerning a measles outbreak in Dannevirke.

There is absolutely no truth to these stories, yet they are spreading far and wide!

If you are concerned please ring/text our Public Health Nurse, Donna Milner, on 027 471 8697.

You might prefer to ring the Ministry of Health on their Healthline 0800 611 116 - which is free.

Or you can check the information about measles on their website at:

<https://www.health.govt.nz/your-health/conditions-and-treatments/diseases-and-illnesses/measles>

Our pregnant mum's, our under 15 month old preschoolers who aren't immunised and our children who have health concerns which lower their bodies ability to fight diseases need our strong support and honesty when dealing with issues like measles.

If you hear or read a comment on FaceBook or from friends, please ring either Donna or the Healthline and check the facts before passing them on and worrying whanau in our community.

Thank you to all of the parents that have been in to show us immunisation records this morning. Well done and much appreciated!

Finally the advice from Healthline *If you or a family member suspect you have measles you should stay at home and call your doctor or Healthline on 0800 611 116. If you have measles, it's really important to limit spreading it to others, so avoid waiting rooms and please stay at home.*

Junior Kapa Haka

All the very best to our Junior Kapa Haka roopu who are performing at the Dannevirke Town Hall tomorrow as part of the Tamaki Nui a Rua competition.

The Friday program plans to start at 10.30am with a karakia.

Our children are on stage straight after that and are expected to finish at 11.05am at the latest.

We know these children will perform to the best of their ability and will represent our school well.

This afternoon's senior roopu tamariki practice is from 3.30pm until 5.00pm.

Looking forward to seeing another strong practice!

Yummy Stickers

Please check around your home for any yummy stickers or labels and get them into school asap.

We send these in and receive free physical education equipment, which we put into the playground during morning tea and lunchtimes throughout the full year.

These need to be tallied up and sent in by the end of next week.

Water Supply

For those of you who came into school on Tuesday morning and were concerned about the 'bubbling' water in the front garden, yes a sub main water line had burst.

Thank you to our caretaker Fro and our plumber Mark Dean, the problem was solved within 20 minutes!

All is now great with our water supply.

Up Coming Events

September

13 - Friday
Tamaki Nui a Rua Kapa Haka Junior Group only

24 - Tuesday
STRIVE Day
BOT meeting 6.30pm - staffroom
