School Uniform Policy

Ratified: 2017

Review date: 2020

Nag 5

Introduction

In 2007 there was strong [80% plus] support from the community for the introduction of a school uniform.

Purpose

1. To promote a learning environment where children feel safe and secure.
2. To enhance pupil safety, through increased visibility, when they are on out-of- school trips.
3. The uniform is a major factor in maintaining the identity and uniqueness of Huia Range School.
4. The children will develop pride in themselves and their school.

Guidelines

1. Students will wear the correct uniform at all times, including coming to and from school.
2. The uniform consists of the approved items on the uniform schedule. No substitutions are acceptable unless there are special circumstances and a written request is approved by the principal.
3. New children entering Huia Range School need to be in full uniform within 2 weeks of commencing school.
4. The uniform needs to be worn to school each day of the week.
5. The uniform is to be worn on all school trips unless otherwise stipulated by the Principal.
6. All items of clothing must be clearly named.
7. If children need additional 'warmth', black thermals can be worn unobtrusively under the school uniform. It is not acceptable to wear long sleeved white/coloured thermals under the short sleeved shirt.
8. Jewellery – only a plain stud or sleepers.
9. Cultural necklaces - unobtrusive and to be worn under clothing.
10. The uniform requirements will be published in the school's Parent Information Booklet.
11. If any pupil is not wearing the approved uniform, a standard letter is sent home to parents by the Deputy Principal. The same will occur if the uniform is not in a respectable condition.
12. Exemptions to wearing the uniform will be considered by the board. Possible grounds for exemption include those based on recognised religious beliefs.

Hair colour

The board does not encourage pupils at Huia Range School to colour their hair. If hair is to be changed, the colour must be similar to natural hair colour.

Uniform items

Burgundy polar fleece with school logo- style 723817
