24th August, 2020

From The Secretary of Education:

Kia ora koutou

Following the announcement from the Prime Minister we will remain at Alert Level 2.

Just a reminder that while everyone is onsite at Alert Level 2, we must adhere to key health measures including:

Good hand hygiene and cough and sneeze etiquette

Staying away if sick

Keeping the appropriate physical distance from others

Cleaning and disinfecting our high touch surfaces daily

Displaying QR code posters at our entrances and encouraging all of our community to download the NZ COVID Tracer App and use it if they come onsite

Keeping a visitor register for anyone who cannot use the app and for other visitors who come onsite for a period of time.

We know all these things will help to keep our community as safe as possible.

Because of these measures, your child does not need to wear a face covering while at school. We will of course support them should they choose to do so.

For those of you who might be finding things more difficult than usual, a reminder that there is a large range of support available for businesses and the community. We encourage you to go to the [covid19.govt.nz](https://www.covid19.govt.nz) for more information, or get in touch and we will help you to find the information and support you need.

Ngā mihi

Iona Holstead

A couple of reminders:

Water bottles for all children please. Gates open at 8.30am. A huge thank you to all the parents who are finding it hard not to come into school, but who are complying with this.

Robyn Forsyth
Principal
