Building Upgrade

Very exciting! We are expecting that our Room 4 class will be moving into Room 2 tomorrow.

Room 1 is completed but the children in the hall are remaining there until all building work is finished (much quieter and less disruptive for the children and staff).

The sewer system is nearly completed. The final hookup will be done either after school or on Saturday so toilets do not have to be closed.

The excitement last Friday was the side water pipe being cut by the digger. A very fast response from everybody meant the school didn't need to close for the remainder of the day.

On Monday the excitement was the alarm system blowing up after a wire had a nail punched through it.

Everyone acted like it was a fire drill and evacuated the full school very rapidly. Well done to you all.

Photo Day

We will be very pushed for time as we are doing both class and sports photos in one day due to the Covid situation causing delays across all schools. Consequently it will be very difficult to give a timeframe for sport photos, coaches are welcome to attend for photos, I would suggest you ring the office to find out if the classroom photos have been completed. We will start with the classrooms and then as follows:-

- Huia 1 - Rippa Rugby
- Huia 2 - Rippa Rugby
- Midget - Huia Rebels - Rugby
- Midget - Huia Rangers - Rugby
- Juniors - Huia Range - Rugby
