Term 4

Welcome back to school to all our wonderful tamariki and their whanau. We hope you have all had a wonderful break and had the opportunity to have some quality family time together.

This term is promising to be incredibly busy and will fly by.

We need our tamariki rested, fed and ready to learn every day.

Rooms 1 - 4

The upgrade in these rooms is due to be completed by Friday and we are very excited to have rooms 3, 4 and the toilet area completed.

On Friday afternoon we are hoping to move the room 1 children with Mrs Francis from the hall to room 4. They will be in room 4 for the remainder of the year.

We are also hoping to move the room 2 children, with Megan, from the hall to room 3. They will be in room 3 for the remainder of the year.

So if your children are ordering lunches next week they need to change their room numbers!

If you are dropping off or picking up children from their classrooms, Suzie can help you if you get lost.

Room 1 is room 4. Mrs Francis
Room 2 is room 3. Megan Newell
Room 4 is room 2. Mrs Bourke

Sun Hats

Just a quick reminder that all children are expected to be wearing a sun hat (plain black or burgundy) during all breaks and lunch time every day during this term or they are required to sit in the shade. Free ice blocks for the first full class with hats.

Swimming

Our junior children are currently having swimming lessons at WaiSplash.

The children are bussed back and forward to the pools and have trained instructors for every session.

The school pays for the bus and the lessons and all children need to do is remember to bring their swimming gear on the following days:

Friday 16th, Monday 19th, Tuesday 20th, Wednesday 21st, Thursday 22nd, Tuesday 27th, Wednesday 28th, and Thursday 29th.

Art Competition

Room 5 children entered the Dannevirke Art Competition late last term.

At the Exhibition opening on Friday night:

Sariyah Pohatu won her age group '10 years'

Khara Paewai and Karlani Hansen were awarded 'Highly commended'.

They received certificates and prizes that were presented by the Mayor, Tracey Collins.

Congratulations to the 3 of you for these great results.

Shake Out Day

Shake Out Day was held across the school this morning.

It is a practice around what children (and staff) are expected to do in an earthquake. Drop, Cover and Hold.

Ask your child what they did and why they did it.
