Mufti Day

A very successful mufti day was held last week with a total of just over \$350.00 raised to support Diabetes Awareness.

We have a number of diabetics at our school and it is great to see this support for those students.

Interschool Athletics

What really miserable weather yesterday! We are hoping for much better on Wednesday for the postponement day for the interschool athletics.

Information sent home for this event are exactly the same as what has already been sent home.

Please ensure your children arrive at the Domain between 8.30 and 9.00am. They will be given a t-shirt or singlet to compete in.

All the best to all of the tamariki who are competing and we know they will represent our school with sportsmanship and our STRIVE expectations.

Headlice

This is an ongoing concern in many schools.

Donna Milner, our school's Public Health Nurse, is available to help support and advise any families that require her.

Her information is: Dannevirke Community Hospital Outpatient Clinic
Tel: 06 374 8496 or 0274 718 697

All under 13 year old children are free at the doctors and headlice treatment is available through the doctors.

The school also receives some free treatment and headlice combs

Swimming Lessons

Lessons have started and continue every day until Friday 4th December for rooms 5, 8, 9, and 12.

Please check your child has their gear every day and let the teacher know if their gear is arriving home dry!
