Free Lunches

Free and healthy lunches started for all of our children last week.

Libelle Group are the suppliers of the food for our children.

Making between 800 and 900 lunches every day is a massive feat and while there will always be a few hiccups the group preparing and delivering the food to our children are doing a pretty good job as they settle in to their new roles.

The kids have loved some of the food, the ham rolls, chicken wraps and today's pulled pork wraps went down really well, with children looking for seconds.

However the falafel wraps, yesterday, were not such a big hit - they were just a little bit too dry (yes I did eat mine and I agree with the children).

I have attached the next 2 week's menus to this newsletter.

Uniforms

I have visited the Warehouse this week and while new stock has been added to the shelves, there is a problem getting larger sizes.

Please ask staff to order what you want if it is not in stock. If they are unable to order it because a larger size is required you can ring Schooltex on 0800 733 665 and order your size.

If this does not work please come to school and talk to me (Robyn) and we will work to find a solution.

Please remember that plain black shoes are the school uniform and that all children are expected to have a plain black or burgundy sun hat for this term.

Name all your uniform please!
