

Huia Range School

Term 1 Week 6 Thursday 11th March, 2021

Website: www.huiarange.school.nz

He mihi mahana kia koutou – A warm greeting to you all

School Phone Numbers 027 781 2224 06 374 6444

Alert Level 1

Back to Alert Level 1 again. Hopefully for a really good stretch of time this round

Even under Alert Level 1 we still need to observe the health rules.

Please remember:

No children at school if they are sick.

Hand sanitisers are available

Cough into your elbow

Stay separate from people you do not know.

We are finding some children are coming to school with coughs and sore throats.

Because of Covid it is expected that any child with coughs, etc will stay home until they are well. We acknowledge that this is incredibly difficult for working parents.

Meantime have you tried some of the old remedies that my grandmothers used to tell us about?

Warm salt water gargle for a sore throat works really well - don't swallow it!!

A round of tinned or fresh pineapple 3 times a day for a chesty cough. I've tried the pineapple and I found it worked really well for me.

The remedy I can't stand is one teaspoon of turmeric in a cup of lemon honey or tea. Not to my taste but others have said it works really well for all sorts of coughs and colds.

BOT Secretary

The Board are still looking for someone to attend Board meetings and record the decisions made.

If you are interested email chairperson@huiarange.school.nz and Liz will get back to you or ring Suzie for more details.

Swimming Sports

Our school swimming sports for year 4 + students are planned for Wednesday 17th March.

To have a successful day we need strong adult support in the area of timekeeping. If you are available, please ring and leave your name with Suzie.

Thank you to the 4 adults that have already offered to help.

It would be appreciated if the 2020 winners could return the cups asap so that they are available for the 2021 winners.

Netball

The Pulse Netball Team will be visiting Huia Range School tomorrow Friday 12th March - 2.30 - 4.30 pm to work with the years 5-8 children.

Skills development and drills will start at 3.00pm. Appropriate shoes and clothing would be good!

Our younger netball players will be able to mix and mingle from 2.30 - 3 pm, before going home for the day.

We urgently need a parent delegate to represent our school at netball meetings. Please ring Suzie.

JAB Rugby

Pre season training starts for all year 7 and 8 students that are wanting to play rugby this year.

Aaron Satchwell will be facilitating these trainings.

These sessions start on Wednesday (next week) 17th March from 4.30pm onwards.

This programme will run for 6 consecutive weeks at Rugby Park.

Up Coming Events

March

15 - Monday
