## Cross Country

Thank you to the all of the adults who helped with the school cross country yesterday.

We were very fortunate to have a stunning sunny winter's day, especially after the cold, windy and rainy weather over the last few weeks.

Congratulations to the winners, place getters and to those who attempted their race to the best of their ability. See attached.

The interschool teams will be chosen based on the times undertaken by the individual runners and on the behaviour standards we expect for children representing our school.

Letters inviting children to compete at the interschool, at Weber will be sent home by next Tuesday.

This letter will detail the times the bus is leaving and returning to school and what the children need to wear and take with them.

Lunches will be delivered to Weber for all of our children competing on Wednesday the 16th of June.

Children not competing will have their lunch delivered to school as usual.

## DHS Open Evening

Dannevirke High School are holding the Year 7 & 8 open evening on Tuesday the 15th of June.

This is a good opportunity to visit the school and have a good look around and participate in some new activities.

Every year 7 and 8 student will have been given a personal invitation to attend this evening.

It starts at 5.30 pm in the Wharekai and concludes with supper at 8.30 pm in the hall.

## Smoke Detectors

The Junior school are undertaking the Firewise Programme this term.

Fire Safety and what to do in a house fire are the main lessons.

**While the fire officer is at our school he has offered free smoke detectors (and fitting) to any homes that need them.**

It is compulsory for all rentals to have smoke detectors fitted, but they are also prepared to supply and fit them to any homes you own.

**The smoke detectors are the 10 year ones and this is a huge cost saving for you - totally free!**

Please ring Suzie and leave your name, address and phone number so the firemen can contact you.

## School Wifi

We are experiencing many difficulties with the school wifi.

It is constantly cutting in and out and disrupting children's iPad use, teachers' laptop use, TV panel use and my and the DP's email and website use.

Our service providers and technician support have been unable to find the cause.

On mentioning this to a number of parents I have heard this is a problem in many homes as well.

If you are having problems with your internet wifi access please complete and return the attached form.

This may help solve the problem and also help your problem if it is across Dannevirke.
