Cross Country

Congratulations to all of our children who attended the interschool cross country at Weber School on Wednesday.

There were some very good results and we are waiting for the confirmed list before putting them in the newsletter.

Thank you to our staff, parents and family members who supported our teams.

I have heard from a number of adults that our children competed well, showed great sportsmanship and were exceptionally well behaved.

Well done all of you!

Board By-Election

Nomination forms have been sent out with nominations closing on Friday 2nd July, 2021.

If you haven't received a nomination please contact Suzie especially if you have moved home recently.

School Photos

Class and sports photos are planned for Monday and Tuesday the 28th and 29th of June.

Information and envelopes for ordering the class photos have been sent home.

If you would like a family/sibling or team photo you need to collect an other envelope from Suzie.

If you do not order and pay before the 28th, the photo will not be taken.

If you have paid online please return the completed empty envelope so we can tell the photographer, otherwise the photo will not be taken.

Wifi Systems

Thank you to the families that returned the very brief survey about how wifi operates in your home.

The results have shown us that many of you were experiencing very good wifi but that has changed this year.

It also showed that in patches around town there is still reasonable wifi, but in other patches it is very poor.

I have passed the information on to our service provider and this may help with solving the problem.

Advice we have had is if you aren't happy with your wifi you need to inform your provider (after all you are paying for a working service).

Marae Trip

Room 11 and 12 are having a trip to the Marae on Monday. Lunches are organised but snacks for morning tea would be useful.

Children are expected in full uniform, with their nicest smile and their best behaviour.

Trains

It has been reported to me this morning that 2 of our students had a very near miss with a train on the Cole Street crossing.

The incident occurred before school today, the lights were flashing and the older boy went across and called his sister to follow. She was hesitant but followed and the train only just missed her. Trains cannot easily stop.

I am unable to identify the children from the photos. Please talk to your children about train safety and ensure they know to wait until the train passes and the lights stop before crossing.
