## **SCHOOL UNIFORM**

A number of children are not in correct school uniform at present. Under the school uniform policy, students need to wear “correct uniform at all times, including coming to and from school. The uniform consists of the approved items on the uniform schedule. No substitutions are acceptable unless there are special circumstances and a written request is approved... .”

**Hair colour** is included in school uniform policy; “the board does not encourage pupils at Huia Range School to colour their hair. If hair colour is to be changed, the colour must be similar to natural hair colour.”

The School Uniform policy is in place to foster pride and self-esteem for the students of Huia Range School; it is our identity in the wider community.
