New Entrants

As we plan next year it would be very helpful if we knew about all the children turning 5 and starting at our school next year.

If you have a child, or you are aware of a friend or whanau member who is turning 5 over the holidays and into next year, can you please ensure Suzie has their name, date of birth and a contact phone number.

This will mean they will receive information and have the opportunity to have school visits before they start with us.

Vaccinations

It is great to be able to inform our whanau that every staff member, including relievers, are at the required vaccination level.

This means that school will continue as usual next week with all of our staff.

If you have children that have been vaccinated can you please inform Suzie of the date/s the injections were undertaken.

School Playground

There was a large number of unsupervised children in the school grounds and on the playgrounds on both Saturday and Sunday.

They didn't do any damage but did move things around and left a lot of rubbish.

Of most concern were the 12/13 year olds who were vaping. Who was here, what they were doing and how long they stayed is all clearly visible on the cameras.

Children are not welcome at school during weekends and holidays and particularly unsupervised and during COVID Alert Levels.

Face Masks

From the Ministry of Education:

Everyone 12 years and older legally must wear a face covering on school transport services (both Ministry and regional council-operated) at all alert levels unless they have an exemption.

Please note, while the school transport drivers are not required to enforce the wearing of face coverings, they will report any non-compliance to your school's bus controller (noting that some students may be exempt from face covering requirements for health and safety reasons).

Schools are expected to manage any non-compliance just as they currently manage behavioural issues of school transport users.

This also includes all year 7/8 students in Rooms 1 and 2 travelling by bus to and from DHS for technology.

Swimming

The year 4 to year 6 children in Rooms 4, 9, 10, 11 and 12 have swimming lessons on the following dates:

Friday 26th November
Monday 29th November
Tuesday 30th November
Wednesday 1st December
Thursday 3rd December
Monday 6th December
Tuesday 7th December
Wednesday 8th December
Friday 10th December

The cost of the pool entry, swimming instructors and buses to and from the pools are paid by the school.

All children need their swimming gear, preferably in a bag, every day swimming is planned.
