Staffing

We have a few unexpected changes for term 2.

First, Jay Bourke has resigned and is taking up a new position at Takapau School starting at the beginning of next term.

Jay has been an important part of our staff since October 2017.

We have valued and appreciated her expertise and efforts to improve our tamarikis' education and development as individuals over the last few years.

We have nationally advertised a year 7/8 position in our school and have not been able to find a suitable teacher for our school.

Second, Anna will be teaching both Rooms 1 and 2, while we continue advertising. There will be 2 teacher aides working with the class during the mornings and 1 during the afternoon programmes.

Third, Nadine Britz will be teaching in Room 3 and has been working in the class over the last 2 weeks to get to know the students and their work levels.

Four, Nicky Wuts will be finishing at the end of this term and we wish her well in her new part-time position in Palmerston North.

During the term we have welcomed Tabitha LaDette as a teacher aide working in the middle and senior school and we have welcomed Lorraine McKay as support person in the office.

Newsletter

Because next week is the last week of the term, there will be a brief newsletter outlining ANZAC Day and other events over the holidays.

Bereavement

It was with sadness that we heard of the Reverend Ross McDougall's passing on Monday.

Ross was a constant source of support and guidance particularly during the merger years of Hillcrest and Dannevirke North School into Huia Range School.

All 3 of Ross's children, Andrew, Matty and Daniel attended Huia Range School and his wife Julie was a main support in the parent fund raising group of Kids First.

Ross will be sorely missed by his whanau and friends and we hope our community support his whanau as strongly as he has supported so many in our community over the last 20 plus years.

Gossip

I have heard through the grapevine that both Rangitane and Kahungunu are running Easter egg hunts this Saturday.

I haven't had this confirmed and suggest you check the iwi facebook pages for further information.

Powhiri

The school held a powhiri yesterday to welcome the Britz family of Nadine, her husband Petrus and her 4 year old daughter Leah to Huia Range School.

Thank you to Rawinia and Apriel for the organisation and training of the students and superb organisation.

We were very impressed with the event and are looking forward to future powhiri as we welcome new staff and tamariki.

We are also looking forward to being able to ask our families to attend.
