Cross Country

Wouldn't it be wonderful if we had some way of knowing what the weather was actually doing!

The weather from around the time we were nearly due to leave school to walk over to the cross country until the end of the day turned rather nasty, with some very heavy showers and some blustery winds.

While our older tamariki may have coped the younger ones certainly would not have.

I really dislike having to make a postponement call so close to the start time and do sincerely apologise to whanau that had plans hugely disrupted.

The weather forecast through to Friday of next week does not look good but we will try and hold this event next Wednesday (8th June).

Please check faceBook and keep in touch.

Unwell Tamariki

We have had a very interesting week. Suzie has sent quite a number of tamariki home who have arrived at school feeling fine and have suddenly developed temperatures, sore tummies vomiting, diarrhoea, or headaches.

Most recover very well within 24 to 48 hours after a bit of extra rest and plenty of water.

We do have a few families that have been hit by Covid and one poor child who has mumps.

Thank you to the whanau who have reacted promptly and picked their child up.

Please make sure Suzie has your correct phone number and at least 2 emergency numbers

Winter Sport

The winter sport season is currently well underway.

Thank you to the volunteers who are supporting all of the teams at their practices and their games.

We sometimes forget to say thank you to the coaches, managers, uniform cleaners and organisers behind the children that make each and every practice and game successful.
