Donation

An email and donation has been received from SchoolTex who supply our school uniform to the Warehouse.

Part of their email reads:

We have just completed the review of our 2022 year and would like to advise that your rebate payment for this year is \$470.00.

Every Schooltex purchase that a parent makes and nominates our school at checkout increases our rebate payment.

So next time whanau are buying uniforms, please mention Huia Range School.

Gumboot Day

This day has been planned by some of our year 8 leaders as they work towards gaining more points for their badges.

Gumboot Day is tomorrow the 4th of November.

Junior Swimming

Tomorrow, Tuesday and Wednesday are the final swims for the juniors.

Parents have done a very good job of remembering or delivering swimming gear on the days they are needed.

Electric Sign

It is finally working correctly!!! There are still some minor gremlins in the system so an increase in the number of messages will slowly happen.

Watch out for the upcoming list of athletics champions next week.

Athletic Sports

Well done to everybody for a really good day yesterday at The Domain.

Thank you to the staff for the organisation before the day and to staff, and parents for the supervision on the day and to the tamariki who competed so positively and with sportsmanship on the day.

I am expecting that tamariki who have won their respective overall age groups will be presented with cups at assembly on Monday.

assembly will be just after 2.00pm if whanau would like to attend for the trophy presentations,

Once Suzie has completed placings certificates these will also be presented. In amongst everything else Suzie does, these do take a lot of time to type, print and check.

School Lunches

I have been working again this week with Libelle (the company that supplies the school lunches) and the Ministry of Education (who pays for the school lunches) to change the lunches our tamariki are currently getting.

Hot meals when the temperatures have been in the mid 20s like the last 2 days, is a little challenging.

We are working on a menu based around pizzas, filled rolls, wraps and burgers possibly starting next week.

We are looking forward to this change of menu and seeing the lunches enjoyed every day by our tamariki.

Sun Hats

Given the stunningly hot days this week, we need hats on all heads at all times while outside.
