## STRIVE Day

STRIVE Day is on Thursday the 15th December.

Teachers are currently planning a range of water activities that will be played at school.

**WARNING:** this looks like AMAZING FUN. Our tamariki will need a tee shirt and shorts to change into before getting a little wet. A towel to dry off before getting back into uniform at the end of the day would be great.

## Holiday Sport

Please see the attached information about a Sport Manawatu Programme operating in Dannevirke in late January.

There are only 20 places for tamariki from Huia Range School.

The days are free, but tamariki must be registered to attend.

## Tooth Fairies

The Tooth Fairies are currently working at our school and have asked me to mention that they are having difficulty doing work on a number of our tamariki's teeth, because permission forms are not being returned to them.

This means work cannot be done and your tamariki may end up with infected, abscessed or painful teeth over the holidays.

Please return forms asap or ring and ask for replacements - 06 374 7672.

## Ki-O-Rahi

We have 2 teams competing at the interschool event at Ruahine School today.

We know they will represent our school with sportsmanship and determination.

## Toilets

There are a number of problems occurring in the toilet areas in our school.

There are children, mainly boys, who do not seem to be aware of how to use the toilet.

There are constant puddles of urine on the floor. While I accept accidents happen, not to the level currently being seen.

This means that Mr Fro, our caretaker, is spending considerable time each and every day moping and cleaning the toilet areas.

It also means tamariki who go to use the toilets before they are cleaned may be bare feet or in socks walking in these puddles.

This is gross!!! Please talk to your tamariki about how to properly use a toilet.

## Reports to Parents

Reports are due out by the end of the term.

They will be online, on our HERO programme, and whanau can read them online or print them out.

More information is available if they are read online.

## Teacher Only Day

**Friday 9th December**

**Teachers will begin their planning for 2023.**

**Other TODays that teachers must attend are during the holidays.**
