School Shoes

The free shoes and socks that have been donated through KidsCan are being given out this week. Each tamariki is trying on their shoes before they are all named (on the inside of the tongue).

There are a few classes left to receive theirs and tamariki who have been absent will then also receive theirs.

We have some very excited tamariki who are very proud of their shoes.

NZ Census

From NZ Census:

Dear whānau,

We have been asked to support Stats NZ to encourage everyone to complete the 2023 Census.

This is a reminder that you need to return your census forms, if you have not already done so.

Census data is used to make important decisions that affect us all.

The census is the official count of people living in Aotearoa New Zealand, and everyone who was in the country on Census Day, 7 March 2023, is required, by law, to complete a census form.

Your participation will help ensure that our community receives funding for services for the number of people that live in our community. That includes education, health, and social services.

To complete the census, you can do it online at www.census.govt.nz using one of the access codes provided in the letters sent to your household.

Or you can fill out paper census forms if you have them. To request a new access code or paper forms, freephone 0800 236 787 (0800 CENSUS) or order online at www.census.govt.nz.

The 2023 Census closes on 30 June, so you should do them online now or as soon as practicable.

Ensure your paper forms are posted so they arrive with Stats NZ by 30 June and support is available on www.census.govt.nz
