Term 3

Welcome back to Term 3.

A large amount of work was undertaken in the school grounds over the holidays.

It has been amazing that this work has been completed given the amount of rain that nearly continuously fell all holidays.

The limestone track has been repaired and upgraded and is looking very good.

The High Street fence line has had a major trim so nothing is overhanging and causing problems for pedestrians. It will take a little time for the small new trees to grow and replace the many dead trees through this garden.

A new high wooden fence has been installed to ensure our tamariki cannot access neighbours animals.

Attendance

As you are aware we are strongly monitoring attendance across all of our tamariki and are very proud of the level achieved across the school.

We had 9 tamariki who attended every day last term, which is great given the sicknesses that were constantly around.

The Ministry of Educations comment is:

'Regular' attendance is defined for statistical purposes as 90% or higher. However, Ministry of Education analysis shows every day has a cumulative impact on a child's learning and there is no 'safe' level of non-attendance. Every day matters.

56%, which is over half of our tamariki, achieved the 90%+ level.

We would like to achieve 65% this term.

Parent Interviews

The opportunity to discuss your tamariki reports are available on Monday 24th and Wednesday 26th July.

Instructions to book a time are on page 2.

Make sure you book the time that suits you before someone else pinches the day/time you want!
