Chase Reiri

Dux
Meadow Pickett

Farewell

After a very long career in education it is with strongly mixed feelings that I leave a profession that I have thoroughly enjoyed.

There are so many Dannevirke people who have supported me through part of this long journey.

I have had the privilege of working with talented and dedicated staff and Boards.

Our loyal and talented Huia Range School tamariki are unique. They have endless potential and strong individual personalities.

I know that I am leaving a very positive school with strong leadership and amazing teachers, who are well supported by the teacher aides, administration, cleaning and caretaker staff.

Finally thank you for the 2 gorgeous pounamu, a feather and a kete, which I will always cherish.

Year 8 Camp

Our year 8's are all heading to El Rancho in Waikanae in week 3 next year.

They will have 4 days participating in a wide range of activities many of which are designed to challenge them and provide them with leadership experiences.

The Board have made a considerable contribution towards each tamariki's costs with expenses again rising significantly compared to previous years.

The local Dannevirke Lions Club have also donated a total of \$2,000.00 which has been split equally amongst our tamariki.

We are very grateful for this generous donation.

After removing the Board's contribution and the Lion's Club donation from each tamariki's costs the total cost per tamariki is confirmed at \$150.00.

Well done to all the whanau who have already fully or partially paid the \$150.00. Full payment is required before the start of the trip.

If payment is a concern please contact Lindsey Randall, who is the principal starting in 2023.

House Competition

Congratulations to Manawanui House for winning the highest overall points for the 2023 school year.
