Mihi Whakatau

We have a number of new students, whānau and staff who have joined us recently.

We would like to welcome our new students, whānau and staff on Monday 12th May at 9.20am in the school hall. Everyone is welcome!

Would new whānau, students, and staff meet at the bottom of the school hall ramp by the junior playground thanks.

Lost Items

There have been a number of rings, bracelets, necklaces and pounamu pieces that have been found & handed in to the school office over time.

If you have ever lost an item mentioned above at school, please contact the office.

Our aim is to re-unite these items with their rightful owners.

Enrolments

If you have or know of any pre-schoolers or any other children/relatives that will be attending Huia Range School, please let the office know asap as we are currently forward planning for new enrolments.

New Entrants at Huia Range School receive:
A complimentary 'goodies' box
A free school stationery pack
A Huia Range Polar fleece
A rain jacket & pair of shoes

Attendance

Improving attendance is a priority for the government and who track every school's attendance daily.

Huia Range School also tracks attendance closely as students need to be as school regularly, we don't want our students falling behind and missing learning opportunities and activities.

Please let the school know if your child is going to be absent because of sickness, a tangi, a medical appointment etc...thanks to those who already do this.

We are required to contact you to follow up if your child is absent and we don't hear from you.

If your child's attendance is less than 90% the Stepped Attendance Response (STAR) plan will begin by reaching out to you and may include phone calls, letters and hui.

Our aim is to work alongside whānau and students to get all students attending school regularly (more than 90%).

Our school has seen a huge improvement in attendance with 53 students receiving certificates at the end of Term 1 for 100% attendance.

I would also note that there were a significant amount if students that were between 90% - 100% attendance. A fantastic start to the year for our school.

Up Coming Events

May 2025

1 – Technology Room 4
