Cups & Trophies

Can all outstanding athletics, cross country, swimming and end of year cups & trophies be returned to the office thank you. Thanks to those who have returned theirs already!

School Athletics

Yesterday the Y4+ (eight years and over) athletics was held at the Dannevirke Domain.

We were very lucky with the weather and turn out of whānau to support the day.

The students had a great day, were well behaved and showed good sportsmanship.

A full list of results and placings will follow when finalised.

There have been several measles cases confirmed in NZ including in the Manawatu and Wellington regions.

Health NZ has stated that our measles immunisation rates are too low to prevent outbreaks from happening when measles is circulating in our communities.

You can check if your whānau are immune to measles and find medical records such as immunisation records or test results, to confirm this.

For more information on checking your immunity visit info.health.nz/measles-immunity.

If you are concerned at all please call Healthline for advice on 0800-611-116.
