Cricket Pitch

Junior Tabloids

The Dannevirke Junior Tabloids hosted at our school last week was fantastic and it was great to welcome so many Dannevirke Schools.

We are currently having an astro turf cricket pitch installed as part of our playground upgrade.

A big thank you to The Dannevirke Lions Club who very generously provided funding towards this. We appreciate their ongoing support.

There were a lot of positive comments about our grounds and school. Thank you to all the whānau who popped in to support the event, it was appreciated.

It will be a real asset to the school and our students are looking forward to being able to use it.

Technology

The last day of Technology for 2025 is next Friday 5th December.

Our Tamariki have been involved in a range of different activities this year at DHS. We looking forward to working alongside the High School in 2026 once again.

Building Work

The 5YA building work has started to further weatherproof our deck in the main block.

This is a MOE project which is also funded by them.
