

Huia Range School

Term 1 Week 9 Thursday 2nd April 2026

Website: www.huiarange.school.nz

School Phone Numbers 027 781 2224 06 374 6444

Attendance

Last week's attendance:

Term 1 Week 8: **78% attendance.**

Our 2026 attendance target is 75% + of students attending 90% of the time.

Bus Changes

A reminder that from the start of Term 2 (20th April 2026) the new MOE/GoBus runs start.

Information was sent out earlier this term and can also be found on HERO and our Facebook page.

School Grounds

Sadly due to ongoing issues with some community members misusing our grounds, they will be closed to the public (holidays and weekends). The school gate code has also been changed.

Thanks

On behalf of the school I would like to thank everyone who has supported us this term.

We could not enter teams, go to events or host breakfast club without you.

Technology

In term 2 Room 4 will be attending technology on Thursdays and Room 2 on Fridays.

Students need to be in the correct uniform and wear 'closed in' technology appropriate black shoes.

Lunch will be delivered to technology.

Students will travel to and from technology by bus.

Any student phones need to be handed in to our Huia Range School office when students arrive to school and can be collected at the end of the day as normal.

Train Crossing

We have been fortunate to have Constable Max come into school and talk to the students, who walk up Cole Street, about safety around the railway crossing.

Please talk to your children about trains and that they should not cross if the lights and bells are going.

Also please encourage your children not cross Guy Street at the grass triangle intersection, rather walk further up and cross where cars can clearly see them and there is less traffic.
